

In conjunction with Palliative Care Week 8 -14 September 2019, the WHSCT Macmillan Specialist Palliative Care AHP & Social Work Team invite you to attend:

“Supporting Palliative Care Approaches for AHP & Social Work Staff”

Silverbirch Hotel, Omagh
Wednesday 11 September 2019 - 09.30 -15.30

This learning event is for core AHP and Social Workers. It will give opportunity to bring together these professionals who are involved in delivering quality care to adults with palliative and end of life care needs.

Through the use of expert speakers and reflective learning exercises, this event will provide the opportunity for professional learning and development, with the chance to network and share good practice.

Places are limited so to avoid disappointment and secure a place please register by **Monday 26th August 2019**. By emailing the attached booking form to:
