

Showcasing Palliative Care Research in Northern Ireland

Thursday 12th September 2019

Time: 18:00 – 20:30

NI Hospice Palliative Care Learning Academy

Session will be available via ZOOM technology or attend in person!

A unique opportunity for policy makers, clinicians, research funders, researchers and people with palliative care needs and carers, to hear about ongoing and recently completed research work to improve palliative care in Northern Ireland and beyond.

Come along or connect your computer! Hear about:

- Screening for psychological distress in palliative care
- The Virtual Dementia Tour
- The Namaste Care Programme
- The social work contribution in adult services
- HIDDEN Study: Deep Vein Thrombosis Revealed

No charge to attend as event is supported by PHA*

To Book:

Send your name and affiliation with a note to say whether you will join the Research Showcase event either **in person** or via **zoom videoconferencing** to Nuala.Connolly@nihospice.org
